Contract For the High School Let to Hauser, Heyden & Co.

THE COST WILL BE \$68,139.50

Will be Made With Red Brick Facings and Red Oak Finish-Appropriae tions For Other Buildings.

At the special session of the board of education held last evening for the purpose of considering proposals for the construction of the new high school building, President Blair was in the

chair and all the trustees responded to the roll call but Trustees Fisher. Fitz-Geraid, Folger, Strahan and the mayor. The committee on teachers submitted the following report, which was accepted and adopted:

Your committee on teachers respectfully recommend that the resignations of Margaret Morrice of Oakdale Park, Lucy McVean of North Ioms, and Mary Ahnefelut of Jefferson street, be accepted; that Jessie Thomas be appointed to Miss McVean's room; that Mrs. M. E. Barbour be appointed to Miss Morrice's room, and that Lizzie Ahnefelut be appointed to Mary Ahnefelut's room; that Mrs. G. F. Pearson be appointed to the vacancy caused feldt's room; that Mrs. G. F. Pearson be appointed to the vacancy caused by leave of absence heretofore granted Miss Winchester of Fountain street; that Ida M. Sherman be appointed to fill the vacancy at Fountain street caused by the resignation of Miss Moss; that Marion Weed be appointed to the vacant cadetship at Diamond street; that a request of Sarah Royal, of North Division atreet, for leave of absence for the balance of the school vacant. sence for the balance of the school year, be granted, and that Emma Smith be appointed to the vacancy. Also that second grade certificates be granted Ida M. Sherman and Marion Weed, gradu-ales, respectively, of the State Normal school and the Agricultural college.

Building Committee's Report.

The committee on buildings submitted the following reports: That the lowest bid on steel truss for assembly room of the high school building is that of the Pittsburg Bridge company, at \$980, and recommended that the president and secretary be authorized to interint occurred with that firm for arecting of the same. Carried.

That ten general bids and several special bids had been received for the prection of the new high school build-

pecial bids had been received for the rection of the new high school building. Hauser, Heyden & Co. submitted peveral bids as follows: For cream brick and pine finish, \$62,008.50; same with red oak finish, \$63,549,50; red brick facing, red oak finish, \$69,139.50. These proposals were in each case the lowest bids residued. The committee recommended below to the fourth National bank.

The annual meeting of the stockholders of the Grand Rapids Safety Deposit company will be held Tuesday, that the president and secretary be au-thorized to enter into contract with the company to finish the building, by the last bid with red brick, to be completed. ept. 1, 1892. A general discussion arose as to whether the building should be constructed of red or white brick. At the close of remarks on the question, it being evident that red brick was the material favored by a majority, Trustee Brad-held withdrew his motion for white brick, and a vote was ordered on the report which called for red brick.

Vote to Close the Contract, A recess of five minutes was taken in order to give the trustees an opportunity to examine the samples of bricks which were on exhibition. When the board was called to order a vote was taken on the report of the com-mittee, and the contract for red bricks and red oak finish was unanimously ordered to be made. The committee on grounds reported

that the contract for filling in the grounds on the corner of Widdicomb and West Leonard streets had been let to L. Hoedmans for \$275; accepted. The same committee reported plans for improving the high school grounds that had been prepared by the city en-

gineer, which were adopted. Big Money for Other Buildings, Trustee Houseman, chairman of the ways and means committee, in accor-pance with a resolution offered by Trustee Felker at the last regular meeting, reported the amount of money needed for the coming year for building purposes as follows: For the and Hall street school, \$15,000; Widdi-comb and West Leonard streets school.

\$16,000; Fifth ward school, \$7,000; improving Weslthy avenue school, \$9,000; south end school, \$9,000; Sibley street school, \$15,000; total, \$105,000. The several items were accepted by the borrd, excepting the recommenda-tion for \$7000 for the Fifth ward school, which on motion of Trustee Bradfield was increased to \$12,000, and on motion of Trustee Houseman the

on motion of Trustee Houseman the recommendation for \$9000 for the south end school was increased to \$12,000.

Trustee Felker offered a resolution, which was adopted, requesting the building committee to prepare plans for eight-room buildings to be erected in the First, Fifth, Sixth and Eighth wards and in the South end, and plans for enlarging the Wealthy avenue school building, and report at the next regular meeting.

regular meeting.

Upon motion of Trustee Felker, the matter of re-arranging the North Division street school building was referred to the committee on schools. The board then adjourned.
